

One Penny for Change

Each event ticket sold at a sporting event represents “one penny for change” donation. Your organization or school decides where to donate its “pennies.” For a school, each sport (football, basketball, baseball, tennis, softball, soccer, etc.) may choose to make an independent donation after their regular season. Suggested organizations to send donations include the American Red Cross, Bridges to Prosperity, Samaritan’s Purse or a local fire or police department. Include this completed form with each donation so others may learn about this campaign. Also, please email a copy to tenonedollarbills@gmail.com so the success of this campaign can be shared with other organizations and schools. Just for your consideration, visit www.tenonedollarbills.com to download a complimentary PDF copy of the book *Ten \$1 Bills*.

● One Penny for Pedestrian Bridges

In developing countries, every single day is a struggle just to survive. With the added challenge of crossing a swollen river, daily life becomes almost impossible. A pedestrian bridge allows year-round access to schools, medical facilities and fresh markets. One penny donated per three-million event tickets sold (\$30,000) will pay for the materials and logistical support needed to build one footbridge for a community in Haiti or another developing country.
